CARESSE

TOUCHER SUBLIME IMMÉDIAT
LAIT CORPS HYDRATANT

Lancôme repousse les limites de la douceur et bouleverse le soin du corps en créant Caresse. Une douceur magique et un toucher "coton poudré" unique et sensuel, grâce à une texture révolutionnaire directement issue de la technologie Soft Skin™. Un cocktail hydratant aux Nanocapsules™ de Tricéramides pour un épiderme profondément et intensément désaltéré toute la journée.

RÉSULTAT : lissée et soyeuse, une peau d'une douceur extrême, plus que jamais irrésistible.
